

Biology Sessional Instructor

ABOUT ST. MARY'S UNIVERSITY:

St. Mary's University is an innovative teaching and research university that provides affordable, accredited and highly valued degrees in the Liberal Arts, Sciences and Education.

Located on a historic site in Calgary, Alberta, our students are inspired to combine academics with a passionate commitment to ethics, social justice and respect for diversity of opinion and belief. St. Mary's has over 1000 full- and part-time students, 150 full- and part-time faculty and staff, and an average class size of 25. The Biology program offers a 4-year Bachelor of Science degree.

SESSIONAL COURSE AVAILABLE:

We are seeking an instructor for BIOL 315 Biostatistics to be taught January to April 2023. Biology program information can be found online at <https://stmu.ca/academics/biology> and the course description can be found online at <https://stmu.ca/course-descriptions>.

QUALIFICATIONS:

The successful candidate will possess a Master's degree in Biology, however a doctoral degree or ABD is an asset. Previous teaching experience is preferred but not required. Proficiency with R is essential and the candidate must have demonstrated competence in experimental design & data collection.

COURSE SCHEDULE:

The position start date is Jan 1st, 2023 but lectures begin on January 10th. Lectures are scheduled Tuesdays & Thursdays from 8:30- 9:45 am and labs run Tuesdays & Thursdays from 1:00 to 3:45 pm.

COMPENSATION:

St. Mary's University offers a competitive compensation package and comprehensive benefits program. Compensation will be commensurate with qualifications and experience.

The collective agreement can be found online at <https://stmu.ca/wp-content/uploads/2019/01/Collective-Agreement.pdf>

APPLICATIONS:

All applicants must submit a cover letter & a curriculum vitae including the names of three referees, directly via email to careers@stmu.ca in word or pdf format, with the Subject Line: "Biology Sessional Instructor". Consideration of applications will begin immediately and continue until the position is filled.

St. Mary's University is passionate about building and sustaining an equitable and inclusive work environment for students, staff and faculty, where diversity in all areas is celebrated and valued. We encourage any and all qualified individuals to apply. Priority will be given to Canadians and permanent residents of Canada.

We thank all applicants for their interest, however only those applicants being interviewed will be contacted. No phone calls please.
