

Location: Sylvan Learning of Northwest Calgary (1829 Ranchlands Blvd.)

We are looking for Math and Science teachers who have a speciality in Biology and/or Chemistry. The successful candidates must have a Bachelor of Education (in progress is acceptable). The candidate must be comfortable working with students ranging from Grade 1 to High School. This is a part-time position. The successful candidate MUST be available to work 4:00 pm - 8:00 pm on Mondays through Thursdays, as well as on weekends.

Please contact us via email (sylvanlearningcentre@gmail.com) with a copy of your resume. Candidates who meet our criteria will be contacted directly.

Thank-you to all who apply.
