When choosing your program and term, please keep the following in mind:

- **Bachelor of Education (BEd):** This is After-Degree program, which means you must already hold a recognized undergraduate degree to be eligible to apply. This program only has one intake in the Fall term each year.
- **Single-Entry Option (BA/BSc + BEd):** If you see a program listed as BA/BSc 4-yr AND BEd 2yr, this is for Single-Entry. It's designed for students applying directly from high school who intend to complete both a 4-year Bachelor of Arts or Bachelor of Science degree and the 2-year Bachelor of Education degree.
Please note: Admission to the BEd program is not guaranteed and is subject to meeting further admissions requirements.
- **Open Studies:** To apply for Open Studies, select "Undeclared Program" as your program and choose "Open Studies" under program details.
- **Flexible Entry Pathway (FEP):** Applicants to this pathway must meet regular high school admission requirements; however, they may substitute English 30-1 with English 30-2. Students begin in Open Studies, take three Fall courses, and upon successful completion, earn 9 credits towards an Arts and Science degree at StMU. See [Flexible Entry Pathway](#) for details.
- **Minors:** Selecting a minor is not required. If you do not want to declare a minor, select "No Minor" under program details.

6. Finish the application by filling in the "Additional Info" and "Declaration" sections.
7. A **\$100 non-refundable application fee** is required to submit your application for admission. You will need a credit card to make this payment. If you encounter issues with payment, try using a different credit card or internet browser.
8. Once your payment has been submitted, your application is officially complete. You will receive a confirmation email acknowledging that your application has been received. Please contact admissions@stmu.ca if you have any questions.
