

Teacher (Math, Social Studies, ELA, Science) – Grades 7–10

Academy of Business Literacy & Entrepreneurship (ABLE)

Calgary, Alberta | Start: September 2026

Teach Differently. Feel Supported. Enjoy Teaching Again.

ABLE is a new public charter school opening September 2026

How Teaching Looks at ABLE

We combine:

- **Clear, structured instruction** (students need this)
- **With application and experience** (students remember this)

This means:

- Teaching concepts clearly
- Then applying them through:
 - Projects
 - Ventures
 - Real-world situations

👉 Not abandoning structure

👉 Not endless lectures

👉 **A balanced, practical approach to learning**

The Role

We are hiring teachers in:

- Mathematics
- Social Studies
- English Language Arts
- Science

What You'll Do

Teaching & Learning

- Deliver Alberta Programs of Study
- Build strong academic foundations
- Support a range of learners

Classroom Culture

- Establish clear expectations and routines
- Create a respectful, focused classroom
- Build strong relationships with students
- Grow curiosity and fun

Real-World Connection

- Help students apply learning beyond the classroom
- Collaborate with colleagues when appropriate

Team Contribution

- Work as part of a collaborative staff
- Participate in planning and school life
- Support extracurricular activities where possible

What Makes This Role Different

- Small classes (max ~25 students)
- **Protected prep time**
- **A hands-on Principal who teaches alongside you**
- **A Superintendent who is present and available daily**
- Real-world learning without losing academic rigor
- A culture where teaching can be **engaging and enjoyable again**
- A team that **works together—not in isolation**

You are trusted to lead your classroom

You are supported so you can do it well

Ideal Candidate

You:

- Care about students truly understanding
- Want to teach—not just manage
- Value both structure and creativity
