Job Summary

Tanbridge Academy is seeking a passionate and knowledgeable French Teacher to join our growing team to help us grow our French Program. The ideal candidate is fluent in both spoken and written French and brings enthusiasm, creativity, and cultural awareness into the classroom. This role involves teaching Grades 1-9, and potentially Gr 10, following the Alberta Education curriculum for Social Studies and Science, while fostering strong French language skills in reading, writing, and conversation.

Cultural studies should be meaningfully integrated into instruction to provide students with a broader understanding of the history and development of the French language. A valid teaching license is required.
